Hi Beth Anne, just checking in to see if you have all the access that we discussed yesterday. Were/are there any issues?

9784908651 1/26/2021, 6:46 PM
Hi Chris,

Yes, what we discussed was granted. Thank You!

I would like to talk about getting access to Licensing so I can get back to the project I was working on to free up licenses for terminated employees. I don't have the ability to compete that work at this point. We're paying monthly for subscriptions for people that have been gone for ages.

I hate to see us wasting money.

Ok, let me look into it and I'll let you know.

The list I have in front of me says that you have License Admin. Are you sure you don't have it?

9784908651 1/26/2021, 6:53 PM
No I didn't get that.

I will look again later though, in case it was assigned after I looked.

I will confirm and send you a note.

Ok, you should have it now. Just close out of your browser and go back in in a few minutes

9784908651 1/26/2021, 6:55 PM
Ok, I will check when shortly. Thanks. I'm glad I asked.
